

These are instructions for printing Behind The Enemy Lines in booklet format.

- 1) Open BehindTheEnemyLinesPrinter.pdf
- 2) In Adobe Acrobat click File and then Print
- 3) In the print dialog box choose Subset: **odd pages only** and make sure Reverse Pages is turned **OFF** (not checked). Click OK to start the print.
- 4) When the print job is done. Remove the pages from the printer and reinsert them into the paper tray without turning them over.
- 5) In Adobe Acrobat click File and then Print
- 6) In the print dialog box choose Subset: **even pages only** and make sure Reverse Pages is turned **ON** (checked). Click OK to start the print.
- 7) When the print job is complete fold the group of pages in half. All pages should be in the correct order printed front and back.
- 8) Download BehindTheEnemyLinesInserts.pdf from the Smoorenburg.com website. Open the file in Adobe Acrobat. Use Acrobat's print command to print the pages.
- 9) Fold the pages from the inserts file the short way and bind them at the end of the booklet.
